Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

47 September 15, 2015

PATRICK OZAWA
ACTING EXECUTIVE OFFICER

**APPROVAL OF A SOLE SOURCE CONTRACT WITH
THE REGENTS OF THE UNIVERSITY OF CALIFORNIA, LOS ANGELES
TO ASSESS AND ANALYZE THE EFFECTIVENESS OF COMPETENCY RESTORATION
SERVICES FOR THE LOS ANGELES COUNTY PROBATION DEPARTMENT**

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Approval of a sole source contract with The Regents of the University of California, Los Angeles (UCLA) to assess and analyze the effectiveness of Competency Restoration Services for the County of Los Angeles Probation Department (Probation).

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Mayor to sign the attached sole source Contract (Attachment I) with UCLA, for an estimated amount of \$100,000 effective upon Board approval for a consecutive two (2) year term.
2. Delegate authority to the Chief Probation Officer to prepare and execute amendments to the Contract for any decrease or increase not to exceed ten percent (10%) of the Contract rates and/or one hundred eighty (180) days to the period of performance pursuant to the terms of the Contract, upon approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of a sole source Contract with UCLA to assess and analyze the effectiveness of Competency Restoration Services.

Federal case law and California Statutes require that a defendant be competent throughout criminal proceedings. The County of Los Angeles Superior Court's Juvenile Competency To Stand Trial Protocol (Protocol) [Issued 1/2012, Revised 6/2015] requires that Probation provide Competency Restoration Services to youth deemed Incompetent to Stand Trial (IST). Specifically, those youth who have an open or sustained Welfare and Institutions Code Section 707(b) (Serious Juvenile Offenses) or Penal Code Section 290.008(C) (Sexual Registrant Requirements) petition, are detained in juvenile hall, or have three or more open or sustained petitions within a three year period. As a result, Probation launched the Juvenile Competency Program (Program) in January 2015. The primary goal of the Program is to assist youth in obtaining adjudicative competency, which allows for meaningful participation during court proceedings. This goal can be reached by the coordination of treatment and services tailored to the youth's needs and abilities. The Program teaches youth about the delinquency process and coordinates services and supports targeted at addressing the predicate cause of the youth's incompetence.

Contracting with UCLA will allow Probation to determine the effectiveness of the Competency Restoration Services and ensure that services are provided in accordance with the Protocol. UCLA was influential in standardizing the process for assessing competency to stand trial status in juveniles and helping the court develop data infrastructure to identify the clinical and rehabilitative needs of those youth referred for assessment. UCLA's work with the Los Angeles County Juvenile Competency To Stand Trial (JCST) Panel and the Judicial Protocol provides the conceptual framework for Probation's Competency Restoration Program. Through the proposed contract, UCLA will provide support to Probation during service delivery, consult on complex cases, ensure the quality of JCST Panel evaluations, and recommend strategies which will facilitate the sustainability of the Program. It would be difficult to identify another local consultant that has the expertise and experience that UCLA would bring to this project.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County of Los Angeles Strategic Plan, Goal 3 Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The estimated cost for the term of the Contract is \$100,000. The Contract is fully funded by net County cost (NCC).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The term of this Contract shall be effective upon Board approval for a two (2) year term. There is no departmental employee relations impact since this is not a Proposition A contract. Probation has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended Contract.

The Contract includes changes to certain County standard terms and provisions to accommodate UCLA's status as a public entity. Specifically, the County's standard insurance and Public Records Act provisions were modified. The Contract also includes provisions for mutual proportional indemnification as well as mutual cancellation or termination by either party.

The remainder of the Contract includes Board-mandated provisions including consideration of qualified county employees targeted for layoffs and GAIN/GROW participants for employment openings and compliance with Jury Services Ordinance, Safely Surrendered Baby law and the Child Support Program.

The County will not request the Contractor to perform services that exceed the Board-approved Contract amount, scope of work or Contract term.

County Counsel has reviewed and approved the proposed Contract as to form.

CONTRACTING PROCESS

The proposed Contract is recommended on a sole source basis (Attachment II) due to UCLA's extensive research activities specifically relating to IST youth and experience with the Los Angeles County Court IST process which is unique and invaluable. It is in the best interest of the County to enter into this Contract with UCLA because it would be difficult to identify another agency that has the expertise and experience that the UCLA would bring to Competency Restoration Services.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Contract will enable Probation to determine the effectiveness of Competency Restoration Services.

Respectfully submitted,

JERRY E. POWERS

THE REGENTS OF THE UNIVERSITY OF CALIFORNIA, LOS ANGELES

TO PROVIDE

COMPETENCY RESTORATION SERVICES

This Contract and Exhibits made and entered into this 15th day of September, 2015 by and between the County of Los Angeles, hereinafter referred to as COUNTY and The Regents of the University of California, Los Angeles, hereinafter referred to as CONTRACTOR. The Regents of the University of California, Los Angeles, is located at 11000 Kinross Avenue, Suite 102 – Box 951406, Los Angeles, CA 90095-1406.

RECITALS

WHEREAS, the County of Los Angeles Probation Department has a need for competency restoration services; and

WHEREAS, the COUNTY through its Probation Officer, is authorized to Contract under California Governmental Code Section 31000; and

WHEREAS, the CONTRACTOR is duly qualified to engage in the business of providing services as set forth hereunder and warrants that it possesses the licenses, competence, experience, preparation, organization, staffing and facilities to provide services as described in this Contract;

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities.

This philosophy of teamwork and collaboration is anchored in the shared values of:

- Accountability
- Can-Do Attitude
- Compassion
- Customer Orientation
- Integrity
- Leadership
- Professionalism
- Respect for Diversity
- Responsiveness

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's three goals: 1) Operational Effectiveness/Fiscal Sustainability; 2) Community Support and Responsiveness; 3) Integrated Services Delivery. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.

- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeal procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

In either event, the CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The COUNTY may also require, at any time during the Contract and at its sole discretion, that the CONTRACTOR demonstrate to the COUNTY'S satisfaction that the CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that the CONTRACTOR continues to qualify for an exception to the Program.
4. CONTRACTOR'S violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. The CONTRACTOR warrants that it is not now aware of any facts that create a conflict of interest. If the CONTRACTOR hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the COUNTY. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the CONTRACTOR require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the CONTRACTOR shall give first consideration for such employment openings to qualified, permanent COUNTY employees who are targeted for layoff or qualified, former COUNTY employees who are on a re-employment list during the life of this Contract.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The CONTRACTOR and/or the CONTRACTOR'S representative shall be given an opportunity to submit evidence at that hearing. The CONTRACTOR and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the CONTRACTOR has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the

Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. STATEMENT OF WORK (SOW)

1.0 SCOPE OF WORK

The CONTRACTOR shall provide the County of Los Angeles Probation Department (COUNTY) with services necessary to implement a Restoration of Competency Program to remediate juveniles that are declared incompetent to stand trial by Los Angeles County Courts. CONTRACTOR will also work with Competency Project Team to analyze data to assess program effectiveness, as well as identify clinical correlates of incompetency, thereby identifying groups that may be more or less amenable to remediation/attainment efforts.

CONTRACTOR is qualified to provide the services described hereunder for the County of Los Angeles Probation Department.

CONTRACTOR has been working closely with a multi-disciplinary task force of judges, lawyers and representatives from Regional Centers and the Los Angeles County Departments of Mental Health and Probation on the issue of juvenile competency to stand trial (adjudicative competence). Juvenile competency to stand trial is a fairly recent phenomenon that has arisen out of the need to provide young offenders with additional due process and constitutional protections to ensure fairness during legal proceedings. Young offenders who are found to be incompetent to stand trial are more likely to be diagnosed with psychiatric and developmental disorders and/or intellectual disability. Once a minor is determined to be incompetent to stand trial, legal proceedings are suspended, regardless of the offense, which can result in public safety concerns. CONTRACTOR will consult with the court system and juvenile probation department based on experience working with this population.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Chapter 5.09 SEXUAL HARASSMENT POLICY

5.09.010 Sexual harassment prohibited.

5.09.020 Sexual harassment defined.

5.09.030 Responsibilities of county personnel.

5.09.010 Sexual harassment prohibited.

Sexual harassment is a form of unlawful sex discrimination, which is a violation of Title VII of the Civil Rights Act of 1964, as amended, and Chapter 6 of the California Fair Employment and Housing Act. It is the policy of the county of Los Angeles that sexual harassment is unacceptable and will not be tolerated. It is improper and against this policy for a county officer or employee to ask for or receive sexual favors from another county employee or prospective employee in return for or as a condition of county employment, promotion, job retention, a particular job or duty assignment, or any other action relating to county employment. It shall be the policy of the county of Los Angeles to:

- A. Dissuade such practices through communication, training and other appropriate methods that will sensitize employees and all persons involved with the county work force concerning sexual harassment issues;
- B. Investigate all observed or reported instances of sexual harassment, and take appropriate corrective action, including disciplinary action, when warranted;
- C. Provide an internal complaint process for employees who experience or witness a violation of the sexual harassment policy which will protect employee confidentiality to the extent legally permissible, shield the individual from retaliation, and allow for appropriate corrective action. (Ord. 94-0074 § 2 (part), 1994.)

5.09.020 Sexual harassment defined.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and/or other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is made either explicitly or implicitly a term or condition of employment; or
- B. Submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual; or
- C. Such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile or offensive working environment. (Ord. 94-0074 § 2 (part), 1994.)

- B. Department heads: Each department head shall be responsible for promoting a work environment free from sexual harassment in his or her department. Each department head shall personally acknowledge his or her commitment to the county's sexual harassment policy by assuring that:

SOLE SOURCE CHECKLIST

| Check (x) | JUSTIFICATION FOR SOLE SOURCE CONTRACTS <i>Identify applicable justification and provide documentation for each checked item.</i> |
|-----------|--|
| | ➤ Only one bona fide source for the service exists; performance and price competition are not available. |
| | ➤ Quick action is required (emergency situation). |
| | ➤ Proposals have been solicited but no satisfactory proposals were received. |
| | ➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider. |
| | ➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representative. |
| | ➤ It is more cost-effective to obtain services by exercising an option under an existing contract. |
| X | ➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc. Assembly Bill 2212 was signed into law September 30, 2010, which added Section § 709 to the Welfare and Institutions Code and establishes the basic procedures that must be followed when a youth's counsel or the Court expresses a doubt as to minor's competency to stand trial. The Los Angeles County Juvenile Court implemented the <i>Amended Competency To Stand Trial Protocol</i> on January 9, 2012, to address the legal mandates of this new policy. The protocol requires that the Probation Department (Probation) evaluate incompetent minors and submit an Incompetent To Stand Trial (IST) Planning report. Subsequently, if the Court finds that there is a substantial probability that the minor will attain competency in the future, the Court will order Probation and the Department of Mental Health to coordinate mental health and education services to help the minor attain competency. |

ATTACHMENT II

|---|--|--|-------------------|
| | <p>University of California, Los Angeles (UCLA) was instrumental in the development of the Judicial Protocol (Protocol) (January 2012) and assisted in establishing the criteria by which medical professionals were vetted for selection to the Juvenile Competency To Stand Trial (JCST) Panel. UCLA was influential in standardizing the process for assessing competency to stand trial status in juveniles and helping the court develop data infrastructure to identify the clinical and rehabilitative needs of those youth referred for assessment. UCLA's work with the JCST panel and the Judicial Protocol provides the conceptual framework for Probation's Competency Restoration Services.</p> <p>An agency is needed to oversee the collection of data to assess and analyze the effectiveness of Competency Restoration Services and ensure that the delivery is in accordance with the Protocol. UCLA's research activities and contributions to the existing Los Angeles County Court IST process would be invaluable to this project. It would be difficult to identify another local consultant that has the expertise and experience that UCLA would bring to this project.</p> | | |
